

THE COLORADO OFFICE OF ATTORNEY ADMISSIONS (OAA)

**JULY 2024 COLORADO BAR EXAMINATION
TEST METHOD CHANGE REQUEST**

Exam seating will be assigned based on an examinee's desired test method (computer or handwriting) for completing the Essay/PT portion of the exam.

Make sure you review your application account and pay particular attention to the seating preferences you chose when filling out your bar exam application.

To request a change to your seating you must do so, in writing, no later than June 21, 2024. To ensure prompt and accurate seating changes, use the Messaging Center in your application account portal to make your request.

If you registered to use a computer but find it necessary to handwrite the Essay/PT after the deadline for test method change requests has passed, contact this office using the Messaging Center through your CiviCore applicant account and you will be accommodated with answer sheets for writing the exam. Your seat assignment will remain within the computer section of the test room.

All change requests must be made in writing, using the Messaging Center within your application account portal.
