**REGULATIONS**

REGULATION 103(i). The Board shall accredit committee research activities of registered attorneys and judges, upon written application by individuals engaged in such activities, provided the activity (1) has produced written materials, personally authored, in whole or in part, by the applicant on behalf of a committee, qualified under this regulation; (2) contributes substantially to the continuing legal education of the applicant and other attorneys and judges; and (3) is not done in the ordinary course of the practice of law, the performance of judicial duties, or other regular employment. In order to be qualified under this regulation, a committee must be recognized as such by the Board and have as its primary purpose and effect activity which has substantial educational value to attorneys and judges outside the committee.

REGULATION 104(g). In awarding credit for research activity, under Regulations 103(h) and 103(i), the Board shall consider the following factors: (1) the content, level and length of the published findings or committee papers; (2) the originality of the published findings or committee papers with the individual applicant; and (3) the nature of the publication in which they appear, if any.
